Don't treat me like your enemies
 Who turn to evil deeds
 Who harbour malice in their hearts
 But with their lips speak peace
 Bring back on them what they deserve
 Let no sin go unpaid
 Yet I myself have unclean hands
 I fall upon your grace

You are our fortress...

All praise to God who heard my cry
 For grace in time of need
 The Lord's my strength and mighty shield
 My soul will trust in him
 My heart exalts and sings for joy
 I will give thanks to him
 He rules with justice and with grace
 Through his anointed king

You are our fortress...
