 its where i want to be its where I want to be

O Lord, you are my portion
 All I have, you have ordained it
 The boundary lines have fallen well for me
 All that you give, I will delight in
 You teach me your ways
 The Lord is at my side, I will not be moved

O Lord, you hold my future
 O Lord, it fills me with gladness
 My heart and soul and body are safe with you
 I am secure, never abandoned
 I will not fear the grave
 You will not let your holy one decay
